

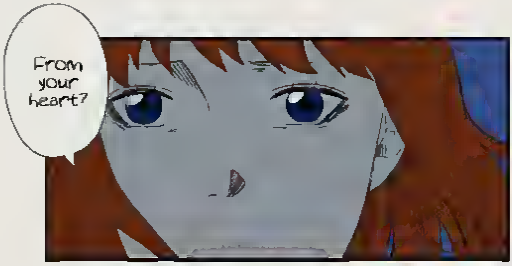
If I were Onii-san...
I wouldn't even want to see my face...

Suwan...
I mean...
Don't you hate me?

Haa..
Where should I start talking from
...
I don't know how you were told the story, but
You don't have to think so hard about it
It's not a big deal
That's why I didn't tell you about it
Are you really..

able to say it's not a big deal?



From your heart?

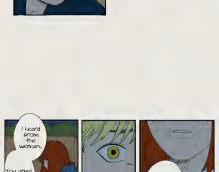
Don't... Blame yourself
Because my sense of self won't disappear.
I...
I...

You did nothing wrong.
Just weak, sudden anger.
Sense of self? No?



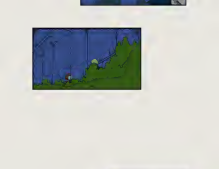
I want you to be the weapon.
You cried and not angry
But you know we were after the suspects room, right?

Ah..
Sawaki's mum...
You hated her so much, didn't you?
Didn't you blame me?
I know...

I...
I was... really mad down. That's true.
But...
But I've never told a falsehood against you.
At that time I was still a kid.
I didn't know anything and took my anger out on you.

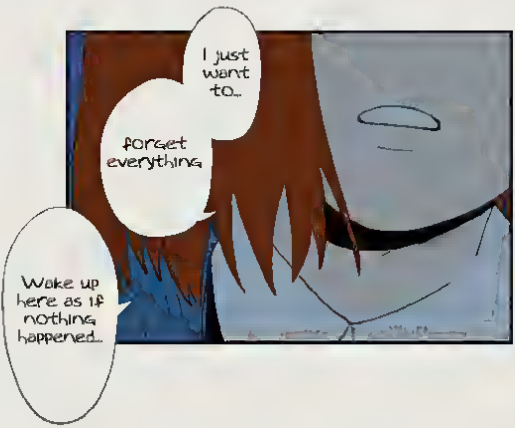
You know, Chiharu-L.

L.

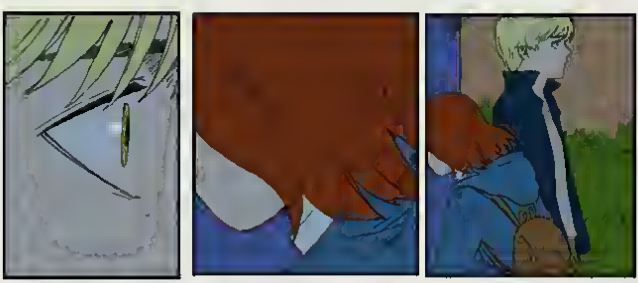


It's hard for me to look at your face

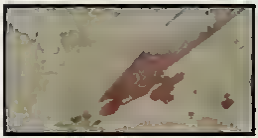
Because when you meet me, somewhere in your heart remembers, right..?
Huh..?
It's useless going on as we once did.
If I was unaware of it..but now that I at least know

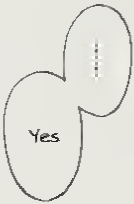


I just want to..
forget everything
Wake up here as if nothing happened..

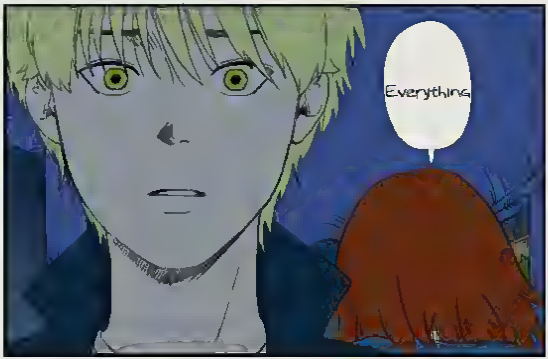


You want to...
forget about me, too?

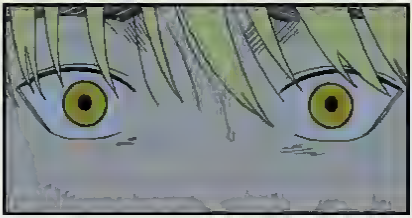


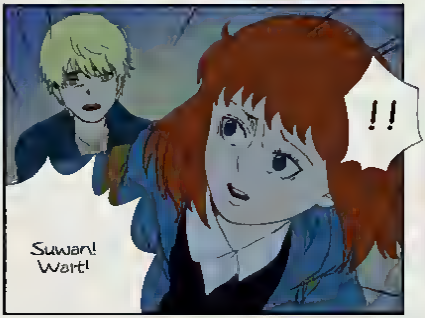


Yes



Everything



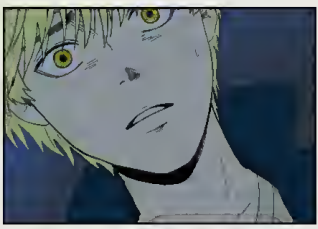


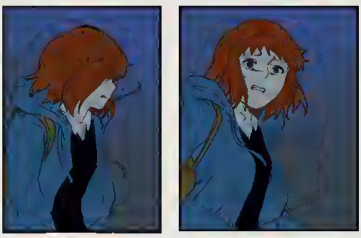
!!
Suwan!
Wait!

Wait..

Let me go!
Suwan!
Even though I'm fine..?
!!
Do you really mean that?
You plan to not meet me again?

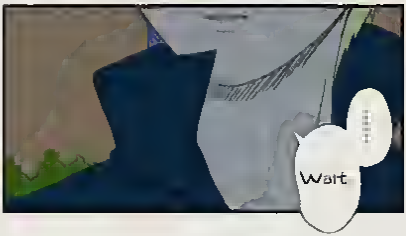
Gross! Don't touch me anymore!





Don't cry, Suwan

What goes around comes around
This is my last farewell to Oni-san



Wait

Don't cry, Suwan

Don't cry
Suwan, wait

Don't cry.!
